### **WINEMAKING NOTES:**

Lemonade stand, the original release of our lemonade series, is a blend of our lemon and blueberry wines. Aged with ginger, this blend has earthy and berry undertones from the blueberry that complement the sweet and acidic quality of the lemon. With just the slightest hint of ginger on the finish, this wine is light and refreshing in true lemonade fashion!

Z Wine Labs is a line of experimental wines produced here at Zorvino Vineyards. 25 to 30 different creative and exciting flavors are released in small batches throughout the year, intended to push the boundaries of winemaking and challenge the expectations of our customers. There's something for everyone at Zorvino!
