## WINEMAKING NOTES:

The second release in our new Z Labs Punch series, Tropical Punch is a 100% fruit blend that is bursting with the tropics most well known flavors. Mango and pineapple dominate the palate and are complimented by further notes of citrus. These citrus undertones help to bring a bright acidity to this semi-sweet wine.

Z Wine Labs is a line of experimental wines produced here at Zorvino Vineyards. 25 to 30 different creative and exciting flavors are released in small batches throughout the year, intended to push the boundaries of winemaking and challenge the expectations of our customers. There's something for everyone at Zorvino!
